## Edwin I. Baker

In 1972 when Ed Baker was elected Chief of the Goshen Volunteer Fire Department, he did not look upon it as an honorary position in an exclusive mens club. It was a challenge to build upon the foundation, that other men had laid, a fire fighting group, with up-to-date equipment, that would be a credit to the town of Goshen.

This was not a new idea of fancy with Ed. When he was a kid in Duxbury, Mass., the greatest thing in the world was not the nearby Atlantic Ocean. It was the Duxbury Fire Department. His early life was closely allied to that organization.

When elected Chief of the Goshen department, he was not only the fire boss and manager, but also the leader. If a job looked dangerous, Eddie did it. If it was difficult or disagreeable Eddie did it. A suggestion that the chief should wear a white uniform with gold braid was spurned, and protective clothing for use around hazardous material was bought instead.

Changing times brought new problems constantly, requiring more of Ed's time, the buying of new equipment and planning more training for the fire fighters. The result of all this is a volunteer fire company of well trained men and modern well cared for equipment.

When people of Goshen call 542-5155, or neighboring towns need help, they know that the Goshen Volunteer Fire Department will respond with fire fighters and equipment that are the equal of any fire department in the area.

Ed Baker is still a member of the fire department and still springs to attention, like the fire horses of old, when the alarm comes in. However with the feeling that the service would benefit by being guided by younger hands he has turned the reins of leadership over to an able and trusted assistant.

TOWN WARRANT

TOWN OF GOSHEN  
The State of New Hampshire

THE POLLS WILL BE OPEN FROM 11:00 AM TO 7:30 PM  
TOWN MEETING WILL BEGIN AT 7:30 PM

To the inhabitants of the Town of Goshen in the County of Sullivan in the State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Goshen Town Hall in said Goshen on Tuesday, the 9th day of March at 11:00 AM, to act upon the following:

1. To choose all necessary Town Officers for the ensuing year.
2. To receive the reports of the Town Officers of Goshen and take any necessary action thereon.
3. To see if the Town will vote to authorize the Selectmen to borrow money in the form of Tax Anticipation Notes in the anticipation of taxes.
4. To see if the Town will vote to hold the annual Town Meeting in future years on the Saturday immediately following the second Tuesday of March, when the election of Town Officers is held.
5. To see if the Town will vote to adopt the provisions of RSA 72:1-c which authorize any town or city to elect not to assess, levy and collect a resident tax.
6. To see if the Town will vote to authorize the Olive G. Pettis Library trustees to apply for, accept and expend, without further action by the Town meeting, money from state, federal or other governmental unit or a private source which becomes available during the fiscal year, in accordance with RSA 202-A:4-c
7. To see if the Town will vote to affirm a previous positive Town Meeting decision to bill property taxes semi-annually
8. To see if the Town will vote to authorize the Selectmen as agents to expend the "Town of Goshen Bridge Repair and Replacement" Capital Reserve created in 1986 for the Lear Hill Bridge project, and to withdraw the Town's portion of that project's cost.
9. To see if the Town will vote to raise and appropriate the sum of \$35,000 for the purpose of purchase, repair, and/or reconstruction of the Pearson property adjacent to the Town Hall, and to authorize the Town officials to negotiate the purchase of said property.
10. To see if the Town will vote to post the point(s) at which a Town road becomes Class VI with signs that declare that fact and the fact that the Town assumes neither maintenance responsibility nor liability for Class VI roads or portions thereof in accordance with applicable RSAs (including RSA 231:50 and RSA 231:59).  
ARTICLE SUBMITTED BY PETITION.
11. To see if the Town will vote to affirm the Class VI status of that portion of Brickyard Road extending from its intersection with Brook Road to a point which is 300' (three hundred feet) in a Southerly direction from that intersection, that point being the same as the Northern extent of the present Class VI portion. ARTICLE SUBMITTED BY PETITION.

12. To see if the Town will vote to post signs at either end of the bridge on Brickyard Road just South of Brook Road declaring that bridge unsafe for use and that users assume all risk of usage. ARTICLE SUBMITTED BY PETITION.

NOTE: The following articles 13 and 14 are included on the Warrant for voter consideration only in the event that the Selectmen before the Town Meeting have approved a petition to reclassify to Class V the portion of Brickyard Road that was classified Class VI by a vote of the townspeople at the Special Town Meeting on October 17, 1992. No such approval has been granted by the Selectmen at the date of this Warrant.

13. To see if the Town will vote to overturn the recent decision by the Selectmen to reclassify to Class V the portion of Brickyard Road that was expressly classified as Class VI by 91 to 23 vote of the townspeople at the October 17 Special Town Meeting. ARTICLE SUBMITTED BY PETITION.
14. Assuming a majority vote in favor of Article 13, to see if the Town will vote to support expedited consideration by the new Board of Selectmen of the Boardman/Dennis petition to reclassify a portion of Brickyard Road and a favorable decision to reclassify that portion of the road beginning at a point 200 feet in a Northerly direction along the road from the iron pin denoting the Southwest corner of the Boardman property but extending only to a point 50 feet beyond the Northwest corner of that property (basically the portion on which work was done in 1992) with the levying against benefitting properties of betterment assessments, under applicable RSA(s), for the cost of improvements. ARTICLE SUBMITTED BY PETITION.
15. To see if the Town will vote to have the position of Road Agent restored to a position hired and appointed by the Selectmen, such change to become effective on the date of the 1994 Town Meeting or upon exit from office of the next elected Road Agent, whichever date is earlier.
16. To see if the Town will vote to authorize the Board of Selectmen to apply for, receive, and expend Federal and State grants which may become available during the course of the year in accordance with RSA 31:95-b and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the Town may legally appropriate money.
17. To see if the Town will vote to approve the following increases for Town Officers, as listed below:

Board of Selectmen  
Citizens  
Town of Goshen, New Hampshire 03752

Selectmen and Citizens:

Enclosed is the Annual Report of the Trust Funds for the Town of Goshen, New Hampshire as of the close of business December 31, 1992. In addition to the usual publication of the Trust Fund Report in the Annual Town Report, I am submitting this letter to be included as part of the Trust Fund Report. The balances and earnings of the Trust Funds have been verified with the actual account balances and with the 1099 statements received from the respective banks.

Please note the following two items:

1. The new funds reported on the enclosed report for the Capital Reserve Funds originate from the appropriations made in 1991. The funds were not disbursed from the general funds until January 1992 resulting in their recognition as new funds in the year 1992.
2. The appropriations made for the year 1992 were not received by the Trustees of Trust Funds until January 28, 1993 resulting in their recognition as new funds created in the forthcoming year ending 1993.

As a direct result the earnings potential for four accounts have been affected over the long term. These accounts are listed below:

Anticipation of New Appraisal  
Highway Department Truck  
Police Department Cruiser  
Construction and Reconstruction of Bridges

Respectfully Submitted,

*Ann L. O'Clair*

## **GOSHEN VOLUNTEER FIRE DEPARTMENT 1992 REPORT**

At this time I take great pride in writing my first annual report as Fire Chief.

As most of you know I am no stranger to the department. I became a member in Jan. 1963, I served 2 years as Captain and 18 years as Deputy Chief before being elected Chief in April 1992.

1992 was a quiet year for the department, responding to 15 calls with a reported loss of \$3,500. 125 hours were spent on fire related service, and 902 hours of service on clean-up, training and meetings. At this time I want to thank all the people of Goshen for their part in fire prevention.

The Break down in Fire Calls is as follows:

G.L. Schol Alarm 2 -- Brush Fires 2 -- Car Fires 1

Chimney Fires 3 -- M.V. Accidents 2 -- Mutual Aid 4

Structure Fires 1

Two fire fighters successfully completed a firefighter I Course consisting of 106 hours. One fire fighter completed a 16 hour incident command course. At this time two fire fighters are enrolled in an emergency medical technician course.

Although Goshen can now use 911 for emergency calls, this number is for police and ambulance only. The number to report a fire is 542-5155. For non-emergency fire business call 863-3143 or 863-4506.

In the past year two more portable radios were purchased for the department. This gives each officer a radio for better communications during fire calls.

At this time I want to thank all the firefighters for all their dedication and donation of time to the department which they receive no compensation for, and to all their families for all the time they are not at home. Instead they are giving their time to the Goshen Volunteer Fire Department and the Town of Goshen.

Respectfully submitted,  
Harry (Jack) Warburton

Report of Town Forest Fire Warden and State Forest Ranger

1992 was below average for wildfires reported in our state. Our largest fire was in May in Rumney where a suspicious origin fire burned approximately 150 acres with a total cost of approximately \$30,000. The N.H. Division of Forests and Lands assisted many other communities in wildland fire suppression as well.

Our fire lookout towers reported 289 fires, burning a total of 136 acres. Our major causes of fires were fires kindled without a permit, unknown causes and children.

Please help your town and state forest fire officials with fire prevention. New Hampshire State Law (RSA 224:27) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done." Violation of this statute is a misdemeanor, punishable by a fine of up to \$1,000 and/or a year in jail and you are liable for all fire suppression costs.

Local fire departments are responsible for suppressing fires. The small average fire size of .47 acre/fire is a tribute to early detection by the public or our fire tower system and the quick response of our trained local fire departments. Please help your Warden and fire department by requesting and obtaining a fire permit before kindling an open fire.

The N.H. Division of Forests and Lands assisted 28 towns with a total of \$20,000 in 50/50 cost share grants for fire fighter safety items and wildland suppression equipment in 1992.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or Division of Forests and Lands at 271-2217.

## OLIVE G. PETTIS LIBRARY TRUSTEES REPORT - 1992

The trustees of the Olive G. Pettis Library held their regular quarterly meetings on the second Monday of January, April, July and October at 6 p.m. at the library.

At the April meeting Sherri Moen was elected chairman. Viola Wright, retiring chairman, was honored at a tea in May and presented with a book thanking her for her many years of service on the board of trustees.

During the spring the screen door was replaced, and arrangements were for the International Work Camp to do some work if their schedule allowed. The area around the front door was painted at the end of their time in Goshen.

The summer program for children included story hours with Meredith Pike and Vi Wright, an evening bedtime story progra with Debbie Hebert, and an afternoon of crafts with Ian LeClair.

In October Andrea Willett was appointed to fill a vacancy on the board.

Shortly after school reopened in the fall, the librarian began a Monday afternoon music program for children. The response was very positive and eight children attended regularly. At Christmas each received a recorder as a gift from their teacher. Programs such as this expand the outreach of the lbrary to the children of the community.

A November work evening was held with trustees helping the librarian weed the shelves to make room for new books. Many of these withdrawn books are available for sale at the library. Jean reports that the inventory is now complete and the cards in order. There are 26 new patrons. The library purchased 33 new books in '92 and increased its collection of video tapes by 22.

During the course of the year generous contributions of books and video tapes have been made. We thank the Pike family in particular for their contribution to the educational video tape library.

Late in November the library received a memorial legacy from the estate of Helen W. Richmond in memory of William John Pettis, Jr. The trustees have voted to put this in a trust fund and use the income from the bequest as directed.

The trustees look forward to a busy year at the library with plans to paint and spruce up the interior of the building. Stop in and see - and - while you're at it - borrow a book or two!

Respectfully submitted,  
Patricia S. Stephan

## REPORT OF THE PLANNING BOARD - 1992

During calendar year 1992 the Planning Board approved one major and three minor subdivisions. In addition three lot line adjustments (annexations) were reviewed and approved by the Board. Still to be resolved is the status of the cluster development off Brook Road near Rand Pond.

In January a public hearing was held on the amendment to local zoning regulations that would allow for participation in the Federal Flood Insurance program. As a result the warrant article concerning the amendment was passed at Town Meeting.

Upon the resignation of Joseph Mileti in June, Denise Cook took on the responsibilities of acting chairman. The Planning Board, which should have a working membership of five with three alternates has been working with barely a quorum of two members, one alternate and the representative from the Board of Selectmen. The board would appreciate volunteers from the community to serve as members or alternates.

The Planning Board holds its regular monthly meeting on the first and last Tuesdays of the month at 7 p.m. at the Town Hall. The regular meeting is on the first Tuesday and the work meeting is held on the last Tuesday. These meetings are open to the public.

Submitted by,

Patricia Stephan, Secretary

Denise Cook, Acting Chairman

## CONSERVATION COMMISSION REPORT 1992

1992 has been a busy year for the Goshen Conservation Commission. At March Town Meeting the Commission proposed two ordinances concerning regulations on the leased property at Gunnison Lake/Williamson Park. Both ordinances were accepted by the town. They (1) established parking hours (5 a.m. to 9 p.m.) and (2) prohibited alcoholic beverages on the leased property. The entrance sign was made for the Commission by N.H. the Beautiful, the only cost being \$31.62 for the installation materials. Many thanks to Bob Young and Mark Burns for the donation of their time and effort to see that the sign was installed. Heavy cardboard signs were purchased by the Commission (\$144.00) to post in the area to remind people of the regulations.

We are grateful to the State of N.H. for the work done on the access road this summer. They also installed new gates both at the top of the dam and at the end of the access road. The gate was locked and unlocked at the posted times each day all summer and fall.

A good start was made at perambulating the property line on the north side of the lake and it is hoped that less rain and free schedules will allow for the completion of this task in 1993.

Country Forester, Steve Wood was consulted in relation to a management plan for the area. The commission is particularly interested in management for the best interest of the wildlife in the area.

Plans are being made to do some work in the Williamson Park area. Last spring a maple tree, compliments of the N.H. Elect Co., was planted in this area and later a picnic table was purchased (\$60.00). We plan to do more work in this area.

Mowing costs this year were \$75.00. The Treasurer reports a year end balance of \$1,841.95 for 1992.

Upkeep of the nature trail was continued this summer and expansion of the trail has been discussed.

Meetings are held at the Firehouse on the fourth Wednesday of each month.

As a locally based non-profit organization, we try to support all of our communities by employing qualified local people and by purchasing goods and services from local vendors. We are pleased to report that out of the 183 people we have employed this year, 153 or 84% live in the towns from which we receive appropriations. In your town, two people work for us.

Thank you for your continued support of our agency and its services. Your town representative on the Board of Trustees is Marilyn Sherman.

During the month of December a selectman went to Concord three different days to appear in behalf of the Town before the Board of Tax and Land Appeals. This was a group of about 30 appeals heard from the 1989 docket. Of the decisions handed down so far, there are 17 granted and 11 denied. Of the 17 granted, this means abatements must be figured for 1989 and each year thereafter, with interest at 6% from the day taxes were paid in any given year calculated forward to the day of refund. As part of our agreement with the State reappraisal people in 1989, representatives appeared, at not further charge to the Town, to defend their work of reappraisal on those properties. In the end, the Board decides the merits of each appeal and renders a decision.

Former Supreme Court Justice Louis D. Brandeis as quoted in the February 1993 BAM:

*"Knowledge is wholly futile unless people care enough to apply it. Men must be induced to set to work to do those things public which are within their grasp and within their capabilities of performance. In that way they may also be taught to love their community enough to make it livable."*

SCHOOL WARRANT  
THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Goshen-Lempster Cooperative School District, in the towns of Goshen and Lempster, in the county of Sullivan, in the State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Goshen-Lempster Cooperative School Gymnasium in Lempster, on the 6th day of March, 1993, at seven o'clock P.M. to act upon the articles set forth in the Warrant. Articles 1, 2, and 3 of the Warrant covering the election of Moderator, Member of the School Board from Goshen, and Auditor will be acted upon at three o'clock P.M., and voting will be by official ballot and Checklist. The polls will remain open for this purpose from three o'clock P.M. until at least seven-thirty o'clock P.M. At seven-thirty o'clock P.M. the remaining articles will be acted upon.

ARTICLE 1.

To choose a Moderator for the ensuing year.

ARTICLE 2.

To choose a member of the school board from Goshen for the ensuing five years.

ARTICLE 3.

To choose an auditor for the ensuing year.

ARTICLE 4.

To hear reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.

ARTICLE 5.

To see if the district will vote to raise and appropriate the sum of ONE MILLION SEVEN HUNDRED AND ELEVEN THOUSAND SIX HUNDRED AND TEN DOLLARS (\$1,711,610) as recommended by the school board, for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of available income estimated at TWO HUNDRED TWENTY TWO THOUSAND FIVE HUNDRED AND THIRTY THREE DOLLARS (\$222,533).

ARTICLE 6.

To see if the district will vote to raise and appropriate the sum of THIRTY-FIVE THOUSAND THREE HUNDRED THIRTY-ONE DOLLARS (\$35,331) as a deficit appropriation to the 1992-93 budget for the purpose of meeting the unexpected costs of special education.

ARTICLE 7.

To see if the district will vote to raise and appropriate the sum of THIRTY-TWO THOUSAND ONE HUNDRED AND TWENTY DOLLARS (\$32,120) for the support of an additional teacher to teach grades six and seven.

ARTICLE 8.

To see if the district will vote to raise and appropriate the sum of SIXTEEN THOUSAND FIVE HUNDRED DOLLARS (\$16,500) for the support of a half-time Physical Education Teacher and associated supplies and materials.

ARTICLE 9.

To see if the district will vote to raise and appropriate the sum of TWELVE THOUSAND SEVEN HUNDRED SEVENTY DOLLARS (\$12,770) for the support of an additional half-time kindergarten teacher in the event of increased enrollment.

ARTICLE 10.

To see if the district will vote to raise and appropriate the sum of FOUR THOUSAND SEVENTEEN DOLLARS (\$4,017) to support an additional day of health services to be provided by the school nurse.

ARTICLE 11.

To see if the district will vote to raise and appropriate the sum of FIVE THOUSAND FIVE HUNDRED SIXTY NINE DOLLARS (\$5,569) for the support of a half-time teaching assistant.

ARTICLE 12.

To see if the district will authorize the school board to apply for, accept and expend, without further action of the School District meeting, money from any source that becomes available during the year, as outlined in RSA 198:20-b, provided that (1) such money is used for legal purposes for which a school district may appropriate money, (2) the school board holds a public hearing on the expenditure of such money before it is expended, and (3) the expenditure of such money does not require the expenditure of other school district funds.

ARTICLE 13.

To transact any other business that may legally come before this meeting.  
Given under our hands this 2nd day of February, 1993.

To see if the district will authorize the school board to apply for, accept and expend, without further action of the School District meeting, money from any source that becomes available during the year, as outlined in RSA 198:20b, provided that (1) such money is used for legal purposes for which a school district may appropriate money, (2) the school board holds a public hearing on the expenditure of other school district funds.

MOTION MADE BY MICHAEL SHKLAR AND SECONDED BY PATTI KOSCIELNIAK. THE MOTION WAS PASSED UNANIMOUSLY WITH A VOICE VOTE.

ARTICLE 15.

To transact any other business that may legally come before this meeting. Given under our hands this 27th day of February, 1992.

A request was made that a microphone be provided for the next year's meeting.

One person commented that the School Board members ought not to abstain from voting on the articles.

Robert B. English asked if the School Board had done anything about Article 9 of the previous year's warrant. The article stated that the district approved the following statement: "We the taxpayers of the Goshen-Lempster School District feel compelled to speak up to the State and Federal Government protesting the prohibitive cost of our local education. A large portion of this cost we have no local control over. We the taxpayers of Goshen-Lempster district acknowledge that we also are responsible, in part for our present plight. However, the simple fact is we cannot afford the ever-increasing taxes for the education of our youth." The School Board chairman said the School Board had done nothing about this and it was the responsibility of those who had presented the statement as a warrant article. Robert said the School Board should be the voters' representatives seeking to cut taxes in every way possible.

Stephen Casey said the voters do have a right to line item veto on the budget. He said that if a line item is vetoed, nothing more can be spent on that item unless there is another line item that covers it.

Doris Adler said that the School Board members have a right to their individual votes at the annual meeting.

Rita Purmort asked why the actual income was not listed in the warrant. Anne Segal said it can be done and will be done next year.

Mary Walter listed volunteers who have helped at the school this year and congratulated them. Those who have helped with the kindergarten and playgroup are Kim Bevilacqua, Susan Blackwood, Marianne Downey, Jane Heath, Tammy Flewelling, Lynn Osgood, Roberta Roberts, Tracey Gonyea, and Kathy Gagnon. Dawn Benner has helped with the lower grades in the classrooms, Jerri Bruno in the kitchen and in the 6th grade classroom, Marilyn Sherman with nursing services, Patti Koscielniak with nursing services, Donna Moul with an art project (hall mural), Ruth LeClair with directing student plays, Sue Scalera with student craft projects, Jean Barrett with the library, Jack Dutra with funds for field trips, Gardner Stetson with a classroom presentation, Edward LeClair with the Odyssey of the Mind project, and Fran Jacobsen with reproducing materials for the teachers.

The polls were closed at 11:23 p.m.

MOTION MADE BY BRYAN WINTERHOLER AND SECONDED BY PAMELA WRIGHT TO ADJOURN THE MEETING. VOTE TO ADJOURN WAS UNANIMOUS BY VOICE VOTE. MODERATOR JOHN WILLIAMS ADJOURNED THE MEETING AT 11:15 P.M.

Respectfully submitted,

Shura Gale  
District Clerk

GOSHEN-LEMPSTER COOPERATIVE SCHOOL DISTRICT  
MINUTES OF THE SPECIAL MEETING  
OF THE GOSHEN-LEMPSTER SCHOOL DISTRICT  
November 14, 1992

ARTICLE 1.

To see what action the district will take on the cost items contained in a Collective Bargaining Agreement, between the Goshen-Lempster Education Association and the School Board, for 1992-93.

The meeting was opened by Moderator John Williams at 7:00 p.m.

ARTICLE 2.

To see what sum of money the district will raise and appropriate in addition to the sum raised and appropriated at the March 14, 1992 School District Meeting, for the cost items contained in the Collective Bargain Agreement for 1992-1992, and to authorize the application against said appropriation of such sums as are available for that purpose; the school board to certify to the selectmen the balance between the revenue and appropriation, which balance is to be raised by taxes by the town.

MICHAEL SHKLAR MOVED THAT \$49,832 BE RAISED AND APPROPRIATED FOR THE PURPOSE OF ARTICLE 2. DORIS ADLER SECONDED THE MOTION.

School Board Chairman John Hopkins explained the background of the Bargaining Unit the teachers had chosen to form. He said that the present average salary at Goshen-Lempster is \$23,260 and that this increase would bring it to \$33,014. He noted that for each \$1,000 of current property taxes, this addition would increase the tax by \$25.

AFTER DISCUSSION AMONG DISTRICT MEMBERS FRED SMITH MOVED THE QUESTION WITH KEVIN ONNELA SECONDING THE MOTION. THERE WAS A UNANIMOUS VOTE TO CEASE DEBATE.

A paper ballot was conducted for the article. There were a total of 157 voters with 124 YES and 33 NO. ARTICLE 2 WAS DEFEATED.

ARTICLE 3.

To transact any other business that may legally come before this meeting.

ON A MOTION BY FRED SMITH AND A SECOND BY MARK CASEY, THE MEETING WAS ADJOURNED AT 8:20 P.M.

Respectfully submitted,

Shura Gale  
School Board Secretary

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Towns of Goshen and Lempster:

The Goshen/Lempster Cooperative School has been a very busy place this year due, in no small part, to the support that you gave the school district last March when you appropriated funds for the school. It is heart warming to go by the library this year and see students and teachers using the materials, as well as watching Mrs. LeClair get children excited about books. Teaching children how to read and how to use library materials to expand what they already know is critical to the education of children in any elementary school. Thank you for support of the school library.

Having Mrs. Koscielniak one day a week this year has helped us understand the health needs of the students and their effect on student achievement. Without her, our ability to provide programs that meet students' needs would be greatly diminished. Thank you for your support of the health services.

We have also been fortunate to have attracted two new remarkable staff members to teach first grade and seventh and eighth grade math and science in the persons of Cheryl Pierce and Ralph Davidson. They are providing exciting learning experiences for the students in their classrooms.

Being that this is my last report as Superintendent of Schools, let me take the opportunity to thank you for allowing me to be involved in the education of your children. I hope that in the years to come you will be able to find the resources to provide the quality of education that your children will need to make them productive citizens for the 21st Century.

Respectfully submitted,

Anne S. Segal  
Superintendent of Schools

## REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS (Special Services)

This past year has been a time of consolidation and change for the Special Services programs at the Goshen-Lempster Cooperative School.

Under the direction of Mrs. Janis Bellavance, our Resource Room teacher, the Special Education Program has been developed. The files have been organized, and a functional team process has been set up to insure that special needs students are properly referred, tracked and programmed. She has also developed consultative relationships with teachers in Newport and Sunapee school districts so that team memberships will meet state and federal guidelines.

Over the past year, the number of students being referred for possible special education services has increased, as well as the number who have been accepted for services. We have also had a number of special education students moving into the district without a corresponding number of similar students moving out of the district. This factor increased program costs that were not accounted for in the budget last year. The 1993-1994 budget takes into account those new students known to the district at the time the budget was prepared.

The SAU now supplies the part-time services of Dr. Joseph Rapalje, a School Psychologist and Mr. Kieran Zito, a Mental Health Therapist. These services had to be contracted out in prior years. We now have more hours of service time available for a similar dollar investment, and the services are all being delivered within the school building.

The SAU now operates a Transition Support Program for students with emotional disabilities, at the Goshen-Lempster building. Students from all districts within the SAU are eligible to attend this program. The program gives a lot of support to regular classroom teachers in the form of personnel, consultation, and curriculum resources. The SAU also operates a more self-contained class for students with serious learning problems. This program serves students within the district who would have had to be placed in residential programs in former years.

The Spurwink foundation has rented classroom space at Goshen-Lempster school for an elementary level self-contained program for emotionally disabled students. This program serves students from within the SAU as well as other SAU'S within the area. The Spurwink program also operates a residential facility for students who cannot live at home. They have proven to be good tenants and neighbors.

The Chapter 1 Program continues to supply reading and math tutoring assistance to students in grades 1 thorough 6 who experience difficulty in these areas but do not generally qualify for Special Education services. Students appear to make good group gains in the program on their yearly evaluations. The amount of the Chapter 1 funds that districts will qualify for in 1993-1994 will diminish due to changes in Census Data from the last National Census. This may force us to cut back somewhat in the total number of hours of program time available to students in the future.

The citizens of the Goshen-Lempster Cooperative School District have every reason to be proud of the quality and dedication of their Special Services employees. These people work together well, put in lots of extra time with students, and demonstrate how much they care in so many different ways. I really appreciate them !

Respectfully submitted,

Arthur G. Jillette, Jr.  
Asstant Superintendent of Schools (Special Services)

## PRINCIPAL'S REPORT

1992

January of 1992 found us in the middle of a difficult school year, struggling to overcome program deficits resulting from the previous year's cutting of Physical Education, Art, Music, Library, Nursing services, and a classroom position. Through the innovation of a dedicated professional staff and support staff and the untiring efforts of citizen volunteers, the children of the community received many quality experiences at their school. Today, as a result of the strength and perseverance of these people, the Goshen-Lempster Cooperative School is recovering from the budget cuts of 1991 and is in a pattern of well defined upward growth.

Many events shaped the past year for staff and students; some of those events were:

**January** The Eighth Grade Class, under the volunteer direction of former Art teacher Ms. Donna Moul, began a wall mural in the hall at the main entrance. The project, entitled WINDS OF CHANGE (the students' selected graduation theme), depicts some of the major social and political events of the previous year.

The D.A.R.E program made its debut at the Goshen-Lempster School with a 17 week program in Ms. Wells' sixth grade class. State Trooper Jerome Maslan taught the California developed awareness curriculum which focuses on self-esteem and personal wellness. The program was funded in part by local donations from Dennis Lumber Company, Fulton's Service Station, Mill Stream Structures, and Onnela Lumber Company.

The entire school staff participated in the Conflict Resolution program that was presented by Esther Tardy, director of the Lake Sunapee Area Mediation Program. The activity consisted of a series of 4 hour workshops which examined how a variety of personalities with different value systems interact. The objective was to develop techniques to empower students with the ability to resolve conflicts among themselves.

**February** Mr. Ronald Purmort organized intramural basketball teams among students in the upper grades. The entire school enjoyed the competition over the course of several afternoons.

Ms. Ruth LeClair volunteered her services as the director of two plays that involved students in grades 6,7 and 8. The Wind in the Willows and Murder Well Rehearsed were presented to members of the community on the evenings of February 20. and 21.

Ms. Susan Scalera volunteered time, material and equipment to provide the sixth grade class with a sewing project. The girls made make-up bags, and the boys made pillow cases.

The entire staff and student body received a presentation by an International 4-H Youth Exchange student who had recently spent six months in Taiwan. The program consisted of slides of the student's experiences and a display of items that reflected the culture of Taiwan.

March      Erich Adler, eighth grade, qualified to participate at the state level of the National Geography Bee. He, accompanied by his Social Studies teacher Ms. Brewer, went to the competition at Keene State College.

The faculty organized a voting procedure whereby the students could select school programs that they believed to be most important to learning. The students needed to choose five of the eleven topics that they selected for the ballot. In an instructive format of the democratic process, the students were registered to vote prior to casting their ballots. The five items selected in order of preference were: Physical Education, Recreational Activities, Library, After School Activities, and the Arts (music, art & drama).

Several visitors were invited to make classroom presentations. Ms. Rochford's Kindergarten class had a presentation on maple sugaring by Ms. Ellen Stetson. Ms. Maxfield invited two presenters to enhance her geography theme of cultures around the world. There was a presentation on Native Americans by a Native American, and there was a fun filled visit from natives of Ghana, Africa with food and music from that land.

Three teams participated in the Odyssey of the Mind competition. One team, consisting of kindergarten and first grade students coached by Ms. Heather Downey, received a certificate of participation. Another team, consisting of seventh and eighth grade students coached by Ms. Bronder, wrote and performed the play Alice in Omerland. The other team, also seventh and eighth graders coached by Mr. Ted LeClair and Mr. Tom Ayotte, placed third in their division with their solution to a delayed reaction problem.

April      The P.T.C., under the direction of Ms. Scalera, funded the presentation of The Little Red Wagon to students in grades K through 6.

The teaching staff received funding under the Eisenhower Grant to bring Teachers' Laboratory to the school for a full day's workshop. The activity involved the exploration of the use of manipulatives for problem solving in mathematics. This was in conjunction with the effort to redesign the school's mathematics curriculum in accordance with the recently developed standards of the National Conference of Teachers of Mathematics.

Ms. Maxfield's class presented the play The Sound of Peace, a culminating experience to the students'

study of cultures around the world. Volunteers Ms. Kim Gaddes, Ms. Marianne Dennis and Ms. Susan Scalera helped to make the play a tremendous success. In the words of Ms. Maxfield, "Probably the most wonderful thing that happened during this unit was that the kids had positive experiences with people and things they considered "different" ".

May The Science Fair was held in the gymnasium on the evening of May 21. The P.T.C. issued cash awards and certificates of honorable mention for top projects in each of three divisions. Those projects were:

June Eighth Grade graduation was held in the gymnasium on the evening of June 16. Erich Adler was the Class Valedictorian, and Anna Scalera was the Class Salutatorian. Diplomas were issued by School Board Chairperson Mary Walter. A reception, organized by the P.T.C., was held for the graduates after the ceremony.

On the morning of June 17 (last day of school), an award ceremony was held to honor school volunteers and students for academic achievements. Awards for Science Projects were announced, and students received recognition for participation in play productions, sports and Odyssey of the Mind.

September The new school year began on the theme "Accentuate the Positive". New faces on the scene were Ms. Sheryl Pierce (replacing Ms. Williams as first grade teacher), Mr. Ralph Davidson (grade 7 & 8 Math and Science), Ms. Ruth LeClair (Librarian), and classroom assistants Ms. Jerri Bruno, Ms. Dorene Young, and Mr. Greg Litchfield.

A new S.A.U. 43 program for emotionally handicapped children moved to the Goshen-Lempster

School. The program receives students from nearby districts and works with the children to facilitate their reentry into the regular classroom.

Everyone returning to school was pleasantly surprised by the stylish new sign that greeted them at the front of the school. The sign, sporting the school mascot (a wildcat), was designed by Jim Walter Jr. of Goshen as a Boy Scout project for his promotion to the rank of Eagle Scout.

**October** On October 12, the Lempster Fire Department presented a fire safety program to the students. Chief Philip Tirrell and Fireman David Loring gave classroom presentations while Firefighter Barbara Chadwick and Fireman Kenneth LaQuire gave demonstrations of firefighting equipment and clothing. Goshen Firefighter Greg Litchfield assisted in the demonstrations.

Pennies for P.E., an idea brought to fruition by organizers Ms. Kim Gaddes and Ms. Marianne Dennis, became redefined as Parents for Positive Education. Such activities as a student walk-a-thon and a proposed bingo operation were slated to contribute toward sponsoring a Winter Activity program for the students.

**November** On Sunday, November 12, the third annual Christmas Crafts Fair was held at the school. Student craft tables were set-up in the lunchroom where teachers and students sold crafts to benefit classroom activities. A great deal of time and effort on behalf of students, teachers and parents went into designing and making crafts. Professional crafters were set-up in the gym. Santa and Mrs. Clause were on hand to have their pictures taken with children, and Mr. Dickerman offered rides on a horse drawn wagon. Ms. Heather Downey and family operated the food concession, and other members of the P.T.C. were busy with the various operations associated with the Fair. The P.T.C., under the executive direction of President Susan Scalera, Vice President Jane Skeie, Treasurer Chris Smith, and Secretary Marianne Dennis, invested an enormous amount of time and energy in preparation for the crafts fair.

**December** Librarian Ruth LeClair organized two student plays that were presented to the community on the evening of December 18. The plays, Be-Deckin' the Halls and A Childrens' Christmas Story, involved many afternoons of practice and set building. A special thanks goes to parents Susan Scalera, Rachel Tirrell, Marilyn Sherman, Kathy Davis, Debbie Wirkkala and Ted LeClair for their help in making the program a success.

Last April, Grades 2, 4, 6 and 8 were administered achievements tests. The tests, which are useful in guiding the teaching staff in curriculum development, are divided into various categories which assess skill development in reading, language and mathematics. Grades 4, 6 and 8 are given the California Achievement Test while Grade 2 takes

the Iowa Test of Basic Skills (a more appropriate test for that level). The results are given in terms of national percentiles (ie. a child with a 55th percentile means that he or she scored higher than or as well as 55% of the children in the nation that took the same test). The following is an itemization of class average percentiles for last Spring's achievement test:

Grade	Reading	Language (Spelling)	Math	Science	Social Studies
2	63	74	54	-	-
4	64	61	64	65	62
6	71	63	57	64	76
8	47	51	59	47	63

The 50th percentile is considered to be the national average. As you can see, many of our class averages exceed the national average in these tests. This suggests that the teaching staff has been effective at updating and implementing the curriculum.

There are many facets to the operation of the Goshen-Lempster Cooperative School. The members of the team all have equally important parts to play in making the school program a positive experience for the students. The school bus drivers, the professional and paraprofessional educators, the food service workers, the secretarial staff, the custodians, the library staff, the nursing staff, and the school volunteers all have very important roles in the daily function of the school. The excellent services delivered by these people, accompanied with the adept direction of the Superintendent's office and the School Board, provide for an efficient, effective and enjoyable school experience for the children of the community.

Respectfully submitted,

John Bonfiglio
